Halaman Add Todo:

The screenshot shows a mobile application interface for adding a todo item. At the top, a purple header bar contains the title "Add Todo" in white. Below the header, a white card with a subtle shadow contains the input fields. The first field is labeled "Title" and has a light gray placeholder text "Input Todo Title". The second field is labeled "Deadline" and has a light gray placeholder text "Select Date & Time". Below these fields is a solid purple button with the text "ADD TODO" in white. At the bottom of the screen, there is a white navigation bar with three items: "My Todo" with a list icon, "Add Todo" with a list icon and a plus sign (highlighted in purple), and "Done" with a list icon and a checkmark. The entire app is displayed on a black background that mimics a smartphone screen, with a status bar at the top showing the time "2:18" and various icons.
